

*The Physics & Astronomy Department
of the Faculty of Science
presents the annual*

Elizabeth Laird Memorial Lecture

“Is Space Real?”

(This talk is intended for a general audience)

Thursday, March 10th, 2005

Pre-lecture Reception

5:00 p.m.

***Physics & Astronomy
Room 123C***

“Is Space Real?” LECTURE

6:00 p.m.

***Western Science Centre
Room 55***

Parking available at Middlesex College Parking Lot – coin entry \$4.00 after 4 p.m.

Dr. Fotini Markopoulou-Kalamara

of the Perimeter Institute for Theoretical Physics in Waterloo

“Her work blends Einstein’s theory of general relativity with quantum theory in order to explain the nature of space and time.”
